BOOSTCAMP

— WEST BLACK SEA —

22-26 MAY

Limit: 30

Thousand Shades of Green

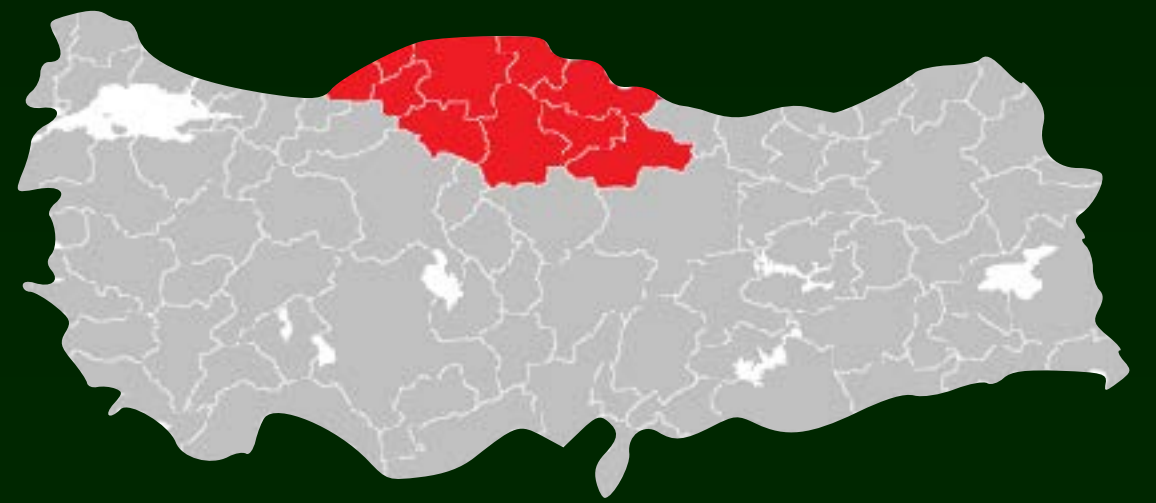

WEST BLACK SEA

Safranbolu - Amasra - Daday - Pınarbaşı

Each day, you will travel through different routes, moving from one district to another, savoring local flavors, and experiencing cultural encounters. In our tour, all your bags will be transferred to the hotels throughout the organization. On the last day, we will return to the starting point where we began our journey.

Tirit

You will explore the unique nature of the Black Sea region on your bicycle, discovering landscapes painted in myriad shades of green. You will visit the natural wonders and canyons of the region. Indulge in local flavors at signature restaurants and stay in the historical and most renowned hotels of the region.
